Whish a different finish for the different parts?  
Please consider the higher price of the categories you choose.

Introducing our innovative home of-  
fice solution, meticulously designed  
for modern living where our homes  
double as our workplaces. This  
piece features a unique overhang,  
ingeniously crafted to conceal  
those everyday items that are hard  
to organize, maintaining a clean  
and tidy appearance.

Complementing this is our match-  
ing console, which offers the same  
thoughtful design and functionality.  
The console also features an over-  
hang to hide clutter and provides  
additional storage and workspace,  
making it an essential part of your  
home office setup.

Customization is at the heart of  
both pieces, allowing you to choose  
a unified finish for a cohesive look  
or mix and match different finishes  
to suit your personal style and  
décor.

This versatile collection not only  
enhances your home office  
functionality but also seamlessly  
integrates into any space. Make  
your workspace a seamless part  
of your home with our thoughtfully  
designed solution.
