

RECOGNISE TERRORIST THREATS (RTT)

SEC-OBS-1002-1.1

Ref Number: TGS-2022015617

INTRODUCTION

Prospect Protection's **Threat Observation (Recognise Terrorist Threats)** course covers the knowledge, skills and attitudes required of a security personnel to operate an access control system to identify contemporary terrorist threats and execute appropriate responses or measures according to organizational procedures. Learners will also be able to attain knowledge and capabilities to identify person-borne, vehicle-borne and object based threats and handle them efficiently and effectively at deployment sites.

COURSE RELEVANCE

This is one of the three mandatory courses required by the Police Licensing & Regulatory Department (PLRD) to be a licensed Security Officer (SO) and eligible for deployment at clients' premises to perform security functions.

LEARNING OUTCOMES

Recognise contemporary terrorist threats and their impact based on the characteristics and trends of terrorism

Identify person-borne threats through disorderly and threatening behaviour and other tell-tale indicators

Conduct security questioning on suspicious persons after observation and through proper protocols

Identify vehicle-borne threats and improvised explosive devices through behaviour and vehicle checks

HEAR FROM THEM
