

INDUCT SECURITY PERSONNEL (ISP)

SEC-PDV-3001-1.1

Ref Number: TGS-2022017658

INTRODUCTION

Prospect Protection's Capability Development (Induct Security Personnel) course covers the knowledge, skills and attitudes required of Security Supervisors to lead a security team and induct security officers at deployment sites. Learners will also be able to attain practical knowledge and capabilities to conduct effective On-the-Job programme according to clients' and organizational guidelines.

COURSE RELEVANCE

This programme is one of the mandatory courses required by the Police Licensing & Regulatory Department (PLRD) for a Security Supervisor (SS), under the Progressive Wage Model (PWM), prior to deployment at any premises.

LEARNING OUTCOMES

Develop a competency-based workplace learning plan to induct security officers

Prepare job aids to conduct workplace induction and communicate roles and responsibilities of new security officers
Perform induction on access control at the workplace

Perform workplace induction and on-the-job coaching on access control management

Perform induction on working with team members to patrol at the site

Perform induction on managing security and alarm systems
