### Mora Dining 200x100

Wood (cat A)

The MORA family was asking for a new element and we were as well. With this, the new dining table came to place, to make your dining room even more beautiful and stylish. The sturdy and elegant look of the family is there, with rounded corners on the top that contrast with the thin feet.

The base is black stained wood and the top in ash or walnut.

#### Wood Veneer Options

Depending on the furniture piece you choose, the intensity of the varnish may vary. Sometimes it may have a more matte finish, while other times it could be shinier.
