Gapi, a versatile and stylish sofa that seamlessly combines the elegance of fabric upholstery with the warmth of wooden legs. Designed to suit a range of tastes and interiors, Gapi is available in three distinct upholstery styles:

Capitoné: For a touch of classic sophistication, the capitoné option offers a tufted design, creating a luxurious, timeless look that adds depth and texture to any space.

Three-Line Stitching: This modern variation features three clean, parallel stitches across the backrest, providing a sleek, contemporary aesthetic that appeals to those who appreciate minimalist details.

Plain Version: For a more understated, versatile option, the simple version offers a smooth, unembellished surface, emphasizing the fabric's texture and the sofa's elegant silhouette.

Each of these options is complemented by Gapi's finely crafted wooden legs, whose natural grain enhances the sofa's overall charm. Whether you prefer classic luxury, modern simplicity, or something in between, Gapi is designed to elevate your living space with its perfect blend of fabric and wood.
