

SUPERVISE SECURITY OFFICERS (SSOC)

SEC-SOP-3007-1.1

Ref Number: TGS-2022017657

INTRODUCTION

Prospect Protection's **Guard and Patrol (Supervise Security Officers)** course covers the knowledge, skills and attitudes required of Security Supervisors to perform supervisory duties at deployment sites and prepare Security Officers for their assigned duties according to organizational procedures. Learners will also be able to attain practical knowledge and capabilities to manage day-to-day security operations at site and supervise workplace health and safety.

COURSE RELEVANCE

This programme is one of the mandatory courses required by the Police Licensing & Regulatory Department (PLRD) for a Security Supervisor (SS), under the Progressive Wage Model (PWM), prior to deployment at any premises.

LEARNING OUTCOMES

Apply Security Operations Procedures in accordance to organizational procedures and ensure safety and efficiency of guard and patrol activities

Implement a standard format for security personnel to document and report any incidents during guard and patrol activities in accordance with organizational procedures

Demonstrate adjustments in the deployment of security equipment, manpower and monitoring of security systems related to guard and patrol activities
