The LOLA has been a part of us for 20 years, an amazing classic that never goes out of style. Available in Lacquered MDF, Wood Veneer, Gold Leaf and Microciment, this table fits perfectly into any room and ambiance, whether it is classic or modern.

This is a completely artisanal piece, so be aware that there may be slight differences in sizes and finishes, which should not be regarded as flaws, but something that makes the LOLA even more special and unique.
