The LOTO is a powerful dining table. By choosing your own materials, you'll give life to a table that has simple lines but is full of character. The base is made with Microcement, available in three different colours of our catalogue. For the tabletop you can choose between Wood Veneer and Microcement. The metal structure comes in Epoxy Metal or Stainless Steel.

Stainless Steel

Suggested RAL colors
 Other colors upon request

Wood Veneer Options

Depending on the furniture piece you choose, the intensity of the varnish may vary. Sometimes it may have a more matte finish, while other times it could be shinier.
